

## South Milwaukee Soccer Boosters – Meeting Minutes

January 11<sup>th</sup>, 2017, 7:00-8:30pm – Moran's Pub

In attendance: Nick Schell, Dave Peterson, Michelle Adamec, Janice Luedtke, JoAnn Nunez, Rinea Peterson, Taylor York, Don Adams

1. Boosters finance update:
  - a. From beginning to end of the boys' season, we finished nearly even.
  - b. We brought in money from concessions, popcorn sales, kringle sales, spirit wear, and superfan shirts.
  - c. We spent money subsidizing game-day shirts, flowers for parent day, banquet main course, gift cards for the players, and subsidized socks for all teams.
2. Assistant coaches:
  - a. Taylor brought up that the high school pays for one assistant coach. However, the girls' varsity has two: Todd Grunert and Burgul. Todd should be covered by the Athletic Dept (we are confirming this), but we voted to give Burgul \$200 payment out of the Boosters account sometime during the season.
3. Girls' team game-day and superfan:
  - a. It is customary for the senior girls to come up with a design for the superfan shirts that the team sells. Taylor will convey this to the girls. We'd like to have a design before tryouts so that the team can sell them right away.
  - b. Taylor is looking for ideas for the game-day shirt. She will look at a few web-sites and get back to us.
  - c. Taylor will also look at some local companies from which to buy custom t-shirts. Caribbean Designs was difficult to work with last year.
4. Spirit Wear:
  - a. Since we were able to raise so much with FanCloth, we are looking to stay with them.
  - b. We want to go with online ordering instead of the girls turning in orders with money. This will relieve the coaches from being responsible for collections.
5. Tryout dates:
  - a. Mon-Wed, March 20-22.
  - b. Mandatory parent meeting @ 6:30 on March 23. Location to be announced.

Next meeting: February 22 at 7:00 in the high school staff lunch room.
